

LINDAMOOD & BELL

Professional Development

Use the new
Stimulus Funding
to make a lasting difference for your students.

Lindamood-Bell® school partnerships prepare, mentor and support teachers in their efforts to teach reading, spelling and comprehension.

Our school and district partnerships are a comprehensive, sustainable approach to the educational reforms of the American Recovery and Reinvestment Act (ARRA).

TITLE I, Part A Recovery Funds

Lindamood-Bell provides:

- ✓ Proven results in Title I schools
- ✓ K-12 implementation, Response to Intervention (RtI), help for at-risk students
- ✓ Professional Development and coaching for increased teacher effectiveness
- ✓ Certification program prepares effective teachers to serve as instructional leaders
- ✓ Professional Learning Communities (PLCs)
- ✓ Web-based data management system for schools to improve learning outcomes
- ✓ A designated "Closing the Achievement Gap" provider

Special Education, IDEA, Part B Recovery Funds

Lindamood-Bell provides:

- ✓ Proven results with SPED population, K-12
- ✓ Innovative, evidence-based programs improve reading, spelling, and comprehension
- ✓ Improved teaching and learning for children with disabilities
- ✓ Experience providing district-wide professional development for SPED and regular education teachers
- ✓ Web-based data management system enables schools to improve learning outcomes

State Fiscal Stabilization Funds

Lindamood-Bell provides:

- ✓ Professional development necessary for Highly Qualified Teachers
- ✓ Proven results with even the lowest performing schools

I realized early on as an educator that there is one way out of poverty and that's to be able to read. So, no matter what else I do in my career, I know I have made a difference and Lindamood-Bell has helped us to make a difference for those students.
~Dr. R. B., Superintendent

Lindamood-Bell® Learning Community in a School

A Comprehensive Solution

For more than 15 years, Lindamood-Bell has collaborated with schools and districts to implement professional learning communities. We partner with schools to establish a comprehensive model to develop language and literacy skills.

Our school partnerships and learning communities result in increased student achievement.

We have created options for schools that enhance Lindamood-Bell® Professional Development with on-site consulting and implementation management. Our Bronze, Silver, and Gold packages can be custom-designed for your school or district's specific needs. Designed to maximize student success, each package offers a significant amount of direct Lindamood-Bell® participation to enable you to attain the highest levels of instructional quality, program fidelity and sustainability.
